**Re: 360networks (USA) inc.
AboveNet Communications, Inc.
Request to Surrender their Authorizations**

Dear Mr. Terrini:

360networks (USA) inc. ("360networks") and AboveNet Communications, Inc. ("AboveNet" and together, the "Companies"), by their undersigned counsel, hereby voluntarily surrender their Authorizations. 360networks is authorized to provide (1) local exchange telecommunications services pursuant to Order No. 2001-76 issued in Docket No. 2000-506-C and (2) interexchange telecommunications services pursuant to Order No. 2000-286 as amended by Order No. 2000-666 issued in Docket No. 1999-355-C. AboveNet is authorized to provide facilities-based and resold competitive local exchange and interexchange telecommunications services pursuant to Order No. 2000-660 issued in Docket No. 2000-201-C¹ (collectively, the "Authorizations"). The Companies request that the Commission cancel the Companies' Authorizations and withdraw all tariff(s) on file with the Commission effective immediately or as soon as the Commission can take such action. Further, in the event that either Company has a current bond or letter of credit on file with the Commission, the Companies request that the Commission authorize the cancellation of the bond or letter of credit and return it to them.

The Companies do not provide telecommunications services in South Carolina and have no plans to do so in the future. The Companies therefore no longer require their Authorizations. Because the Companies do not serve any customers or have any active telecommunications operations in South Carolina, the Companies respectfully submit that the surrender of their Authorizations and withdrawal of their tariff(s) is reasonable and necessary and will not be disruptive to the present or future public interest, convenience and necessity.

¹ The authorization was originally granted in the name of Metromedia Fiber Network Services, Inc., which subsequently changed its name to AboveNet.
